# EXHIBITOR PROSPECTUS

# THE CONFERENCE

The Resiliency Conference, formerly International Disaster Conference & Expo, is a premier international conference on the practice of successful resiliency and disaster management in an evolving global environment. The event will highlight innovation as a tool of resilience in the preparation and mitigation of impending disasters. Based in New Orleans, this show will bring together a diverse crowd of thought-leaders where disaster and resilience management practices are shared with multiple sectors.

# THE ATTENDEES

RES/CON attendees will represent multiple sectors involved with resilience and disaster management:

- Practitioners, including government agency staff, consultants, NGOs
- Industry, including firms of all sizes involved in disaster and resilience contracts for emergency response, recovery, rebuilding, water management, coastal restoration
- Policymakers, including agency leads, elected officials
- Trade associations, coalitions, advocates
- Academia

## SPONSOR LEVELS

ResCon International is made possible by the generosity and support of our sponsors and exhibitors. To ensure a high quality experience at the conference, this year we are deliberately limiting the number of sponsor exhibitors. By creating such an intimate environment, this year's supporters will receive unparalleled exclusivity to conference attendees.

**Conference sponsorship levels will dictate what type of exhibit/display space is included.** These levels are divided into categories of Supporter and Partner.

### **\$3,000 SUPPORTER\***

#### **6' tabletop display**

*Location: Ballroom Foyer (most of program takes place in Ballroom)*

Benefits include two (2) conference registrations at no charge, exhibit table in plenary session ballroom foyer, company name displayed on signage, company listing and website link on conference app, your company logo on event website and announcement of your sponsorship during event. Tabletop displays and 10-foot pop-up booths only, please.

### **\$10,000 PARTNER\***

#### **20'x20' display space**

*Location: Inside Ballroom (most of program takes place in Ballroom)*

Benefits include four (4) conference registrations at no charge, a 20'x20' display area inside plenary session ballroom (most of program is housed here), exhibit table (if requested), company name displayed on signage, company listing and website link on conference app, your company logo on event website and announcement of your sponsorship during event.

Due to limited availability, sponsorships will sell out very quickly. Applications are accepted on a first-come, first-served basis.

## SPONSORSHIP INCLUSIONS

**A special off-property networking event on Wednesday evening, December 5th is planned for all convention attendee and exhibitor staff. This event is included in your sponsorship and provides great additional value to network with conference attendees in a casual setting. And the best part is attendance is free for all registered exhibitor personnel!**

*\*Sponsorship includes access to Breakout Sessions, General Sessions, Idea Exchanges and Wednesday evening's off-property networking event. Booth staff must be employees of the sponsoring company. If additional booth personnel are needed, additional fees will be charged to attend the events.*

*\*\*Please Note: In the event of a written cancellation, 50% of the registration fee will be retained to cover administrative costs. After October 10th, NO refunds will be given.*
